

Catholic Charities

OF NORTHEAST KANSAS

We will be accepting your donations at the 2009 National Catholic Youth Conference!

Help us help others!

The parable of the Good Samaritan illustrates the importance of helping those in need. We never know when one act of kindness will make a significant difference in the life of someone we probably don't even know.

Your donations during NCYC will support the more than 85,000 children and families that Catholic Charities serves each year.

School Supplies!

Each year we provide thousands of children in the Kansas City area with much needed school supplies.

Help us help them!

Items needed include:
Pens, pencils, note pads, calculators, notebooks, binders, erasers, and rulers.

Suggested Donations

Used Cell Phones!

Everyone has a cell phone lying around that they don't know what to do with...

Help us help the Earth!

Bring your old cell phone to NCYC & **RECYCLE IT!**

Basic Necessities!

Many of the families that ask us for help, can't provide for the basic necessities of their families.

Help us help them!

Frequent requests include:
New boys and girls socks and undershirts for children of all ages.

Bring your donations to our booth near the escalators in the Reign Forest Park.

(Hall D and E in Bartle Hall)
