

Collecting Used Cell Phones!

Do you have an old cell phone lying around and don't know what to do with it?

Here is the solution.

Help NCYC Help the Earth by **Getting Green**

Bring your old cell phone to NCYC and

RECYCLE IT

to raise funds for the Catholic Youth Foundation USA.

Bring your donations to the Reign Forest/Thematic Park and look for the recycle bins at the Get Green Exhibit Booth (#511) and throughout the Reign Forest.

(All types of cell phones accepted—working or not. Please, no phone chargers though!)

It's that easy.

www.getgreentogreen.com

Funds raised through donated and recycled cell phones assist in funding CYFUSA scholarships for attendees at NCYC and NCCYM.

In collaboration with the *Catholic Youth: Care for Creation, Care for the Poor* initiative of NFCYM.
