

# Spirit of God: Source and Strength

## **Spirit of God,**

come, enter our hearts  
come, fill us with your creative power  
come, teach us your ways  
come, bind us to each other  
come, be with us.

## **Spirit of God,**

Help us see you as  
source of all creation  
source of peace and justice  
source of hope and compassion  
source of the church's communion  
source of love and wisdom.

## **Spirit of God,**

Fill us with  
strength in times of trouble  
strength to stand up for what is right  
strength to accept change  
strength to live our mission as the Body of Christ  
strength to continue the journey  
that brings us closer to you.

Amen!
