

Blessing of Parents

Creator God,
You know what it is like to be both Mother and Father to us all.
We ask You, the source and sustainer of all life,
to bless these parents in the role you have set before them.

Gift their lips with the wisdom
to speak the truth so it can be heard.
Gift their ears with sensitivity as they
listen to the needs of their children.
Gift their souls with a faith radiating
your intimate presence in their life.
Gift their minds with patience and understanding
to handle the changing needs and demands placed
before them each day.

Guide their hearts as they seek out
and reconcile the areas of conflict
and pain that may exist.

And through all these things,
may your abundant blessings continue to
affirm and support all they do as parents.

We ask this blessing upon each of them,
in the name of the Father, the Son and the Holy Spirit.
AMEN!
